Clean ahead

Scrubmaster B12
*Flexible walk-behind
scrubber-drier*

For use on smaller areas

Scrubmaster B12

A practical, easy-to-transport scrubber-drier designed to clean smaller floorspaces.

Edge-close working

The disc brushes, protruding to both sides, enable edge-close working and unnecessary reworking. Optimum cleaning results are achieved on smooth hard floors.

Onboard charger

The built-in charger enables recharging at any conventional outlet.

Coverage

The Scrubmaster B12 cleans up to 1,500 m²/h.

Compact design

The compact design provides high flexibility and a good view of the floorspace to be cleaned, even when working in narrow and cramped areas. Easy-to-read symbols enable intuitive operation.

A removable cover allows easy access and cleaning of the recovery tank.

Storage and transport

The light-weight design and collapsible tie bar save storage space and make the machine easy to transport, it even fits into the boot of your car.

Product specifications Scrubmaster		B12
Working width	cm	38
Squeegee width	cm	47
Performance approx.	m ² /h	1,500
Voltage	V	24
Battery capacity	Ah	25
Number of brushes		1
Working speed	km/h	4,0
Solution tank	litres	16
Recovery tank	litres	22
Width with/without squeegee	cm	47
Weight without battery	kg	40
Weight (wet) with battery	kg	80
Overall performance	kW	0.54
